

About Us

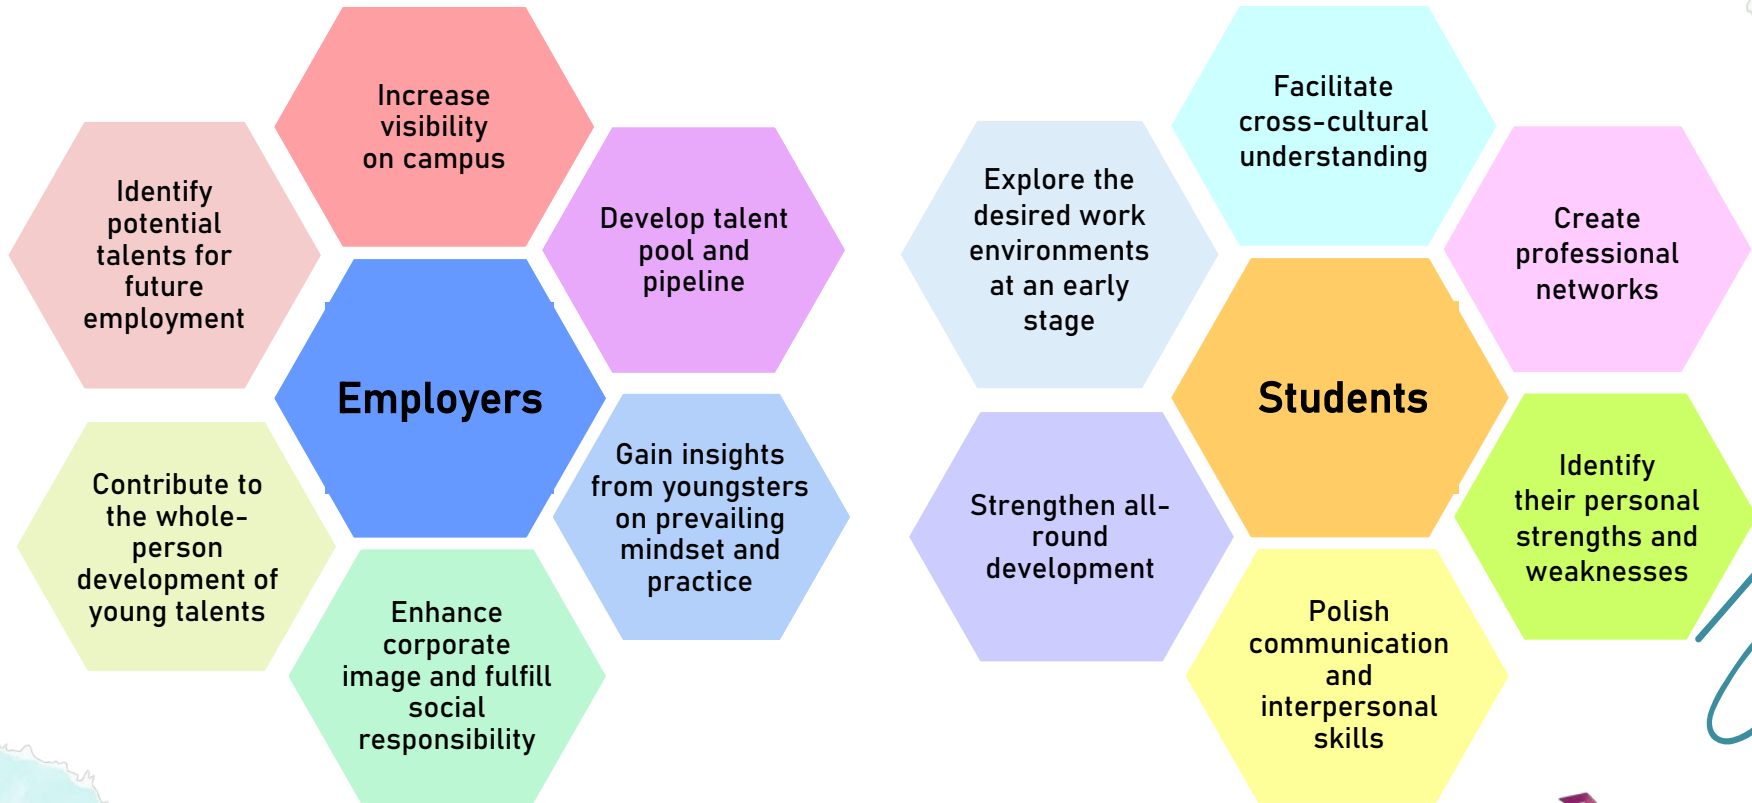

Global Internship Programme (GIP) aims at offering students opportunities to work in cities of Mainland China and around the world, e.g. Beijing, Berlin, Brussels, Cape Town, Jakarta, Kuala Lumpur, London, New York City, Shanghai, Singapore, Sydney, Tokyo, Vancouver, etc.

Through internships which last for a minimum of four weeks, students will not only enhance their language/ interpersonal skills and workplace exposure but also broaden their horizons that are conducive to their personal growth and career development.

Over the last two decades, more than **8,000** students have returned from internship with rewarding and fruitful experience.

Sustainable Partnership

Maintain regular interaction with the participating employer

Student Interns

Report for duty punctually, commit to working on tasks/jobs assigned by the participating employer

Participate in the pre-and post-internship activities arranged by the University

Sharing of Student Interns

Steven Prasasta
Integrated BBA

Through the 10-week internship at Standard Chartered Bank Indonesia, I have equipped myself with a better time management skill and a holistic view of Indonesia business environment.

Janice Wang
Financial Technology

In the PR consultancy, I joined press conferences of an international streaming service and participated in advertising events. My supervisor and colleagues taught me much professional knowledge that I could not learn from textbooks.

Felipe Po
Biochemistry

I followed a doctoral student whom I assisted in completing various experiments. He set a good role model and demonstrated the responsibility, prudence and critical thinking that a researcher should have, laying the foundation for my future research career.
